MEMORANDUM FOR: Cafeteria Manager

SUBJECT: Food and Service at Bldg. 213 Cafeteria

1. Since subject cafeteria was first established, it has been my very good fortune, in the course of my duties, to make use of its facilities at least once a week.

2. The food and service at Bldg. 213 are, in my estimation, superior to that in any other government establishment in the area and, in addition, superior to many more expensive restaurants in Washington.

3. Therefore it gives me great pleasure to extend a hearty well done to you and your staff.
